WHAT'S THE MEANING OF THIS!?

Woooo WHA

これまでのお話 麻帆良祭2日目の「まほら武道会」は、龍の「魔法使いの存在を全世界にバラす」という脅迫がネットを使って大々的にひとり歩きする中、ついにベスト4が出揃う！ エヴァ対刹那の実力者対決は、刹那がエヴァの幻術を見破り、大逆転勝利！ 自分の過去を語ることになってしまったエヴァは、孤独とした生い立ちを告白する。

NO, THAT'S WRONG! THIS TOPIC MANIPULATION IS TOO SKILLED FOR A PART-TIMER, THE CASUALNESS OF THE WRITING'S AMAZING!!

DAMN IT... SUCH RIDICULOUS TOPICS... THERE MUST BE PEOPLE HIRED BY THE DOZENS TO MANIPULATE THIS THING!!

THE INTENSITY IS RETURNING AGAIN IN VARIOUS PLACES!?

JUST WHEN I THOUGHT THE NET SITUATION HAD CALMED DOWN

TSK.... THERE'S NOTHING I CAN DO WITH A NOTEBOOK PC LIKE THIS!!

WHAT DO I DO!? MAYBE I SHOULD LET THAT BRAT KNOW ABOUT THIS.... NO, THAT WON'T WORK!!

…

まほら武道会、盛況の最中ですが、
超の企み、水面下で強力に進行中デス……。

KUREHI BA-ZUKE

THAT MEANS THE ONLY PROBLEM LEFT-----..

ALRIGHT, MAINTAIN THE CURRENT CONDITION UNTIL THERE ARE INTERFERENCES FROM THE MAGE SIDE-NE

.... THE RUMOR SPREAD DEPTH AND INTRUSION RATE ON THE NET HAS RECOVERED, THERE ARE NO ABNORMALITIES -----

BLANKLY ポン!

..IT'S A TOP SECRET MISSION

!!!

AH- BAKA, KOKONE

TEMPORARY FIRST-AID ROOM

TAKAHATA-SENSEI IS BEING HELD UNDER-GROUND BY CHAO-SAN ------!?

EHH ----

MISORA-CHAN, SO WE'RE ALLIES ♥ I DIDN'T KNOW AT ALL-

WHAT ARE YOU TALKING ABOUT? I DON'T KNOW ANYONE CALLED MISORA

I'M ONLY A BEGINNER BUT I PLEASED TO MEET YOU ♥

A BUNCH OF STUFF HAPPENED AND I'M GETTING ALL CONFUSED....

W-WAIT, WAIT A MINUTE!

HOWEVER, WE HEARD, "I'M CAUGHT UNDER-GROUND, SEND HELP.."

WE CAUGHT TAKAHATA-SENSEI'S TELEPATHY A WHILE AGO, BUT IT WAS UNSTABLE AND GOT CUT OFF RIGHT AWAY

TWACK

YOU CAN?

THE FACT THAT MISORA-CHAN IS A MAGE, WELL, I CAN LET THAT ONE GO..

....IT'S MY SPECIALTY ....

BLANKLY 赤!

B-BUT I HAVEN'T HAD ANY TELEPATHY REACH ME THOUGH

WAIT, I SAID I'M NOT MISORA ------!!

WELL---- I'M NOT SURE EITHER. THE TELEPATHY WAS CUT OFF HALFWAY THROUGH

WHY DID CHAO-SAN TAKE TAKAHATA-SENSEI, MISORA-CHAN?

I I GUESS SO
A-ASUNA-SAN WE SHOULD LET NEGI-SENSEI KNOW ABOUT THIS

B-BUT WHAT IS CHAO-SAN THINKING? DOESN'T THAT REALLY MAKE HER A BAD PERSON JUST LIKE EVA-CHAN SAID?
E-EVEN THOUGH THEY SAY ANYTHING GOES IN THE MAHORA FESTIVAL, IT'S NOT AN EXCUSE.

THAT KID ALREADY HAS HIS HANDS FULL RIGHT NOW WITH HIS OWN THINGS. WE CAN'T TELL HIM RIGHT NOW!
W-WAIT WE CAN'T

DO SOMETHING ABOUT THIS ON OUR OWN!!
WE CAN'T RELY ON NEGI RIGHT NOW. WE'LL HAVE TO....

WE ARE FINALLY HEADING INTO THE SEMI-FINALS!!
NOW THEN, THIS TOURNAMENT HAS BEEN PLAYED OUT WITH WHITE-HOT MATCHES SURPASSING THE COMMON SENSES!!

CONTES-
TANT
COLONEL
SANDERS
VERSUS
....

CONTES-
TANT
NAGASE
KAEDE
——!!

HER TRUE
POWERS
ARE
UNKNOWN,
BUT SHE
HAS SHOWN
US SOME
WONDERFUL
MOVEMENTS
IN THE
FIRST
BATTLE

CONTES-
TANT
NAGASE
HAS RISEN
ALL THE
WAY UP TO
THE SEMI-
FINALS DUE
TO THE
FORFEIT OF
CONTES-
TANT KUPEI

17

OH, SO YOU
CAME,
NEGI-BOUZU

I, I
MADE IT
IN TIME

THE HOOD THAT HIDES HIS FACE NOW LOOKS EERIE!! NOW THEN, WHAT KIND OF MATCH WILL THIS BECOME!?

CONTESTANT COLONEL HAS SHOWN US UNLIMITED POWERS!!

ARE YOU ALRIGHT, NEGI-BOUZU?

.....

JUST EXACTLY WHO IS THAT PERSON...

THAT VOICE WAS CERTAINLY...

DAD'S VOICE...

SPECIAL NOTE ABOUT ALBIREO IMA'S PACTIO CARD

DIAPHANUS'S COMMENTS ON THIS CARD:

I am not sure whether his Astralitas is ***Crux Septentrionalis*** or ***Caelus Sideralis***. Unfortunately, the Astralitas name on the card in chapter 111 is too small for me to understand it (in fact, I can make out just the "c" on the scans that I have). The **"MAGISTER NEGI MAGI" Research Institute** suggests that it should be ***Crux Septentrionalis***. Albireo's hand covers the words in chapter 112. I suppose we are going to have to wait until we can see a shot where that part of the card is not covered.

Cyaneum means "The Color Dark Blue." One of the reasons that it has been translated as "purple" or "indigo" is that the Japanese translation of the Latin word can refer to a range of colors that includes dark blue and indigo. ***Cyaneum*** (a noun) is a form of the word cyaneus (an adjective meaning "dark blue"), but neither means "indigo," according to all of my **Latin references**. Moreover, the Tonus dot on **Nodoka's card** is more of a dark blue than an indigo.

Ironicus has a several meanings: "sarcastic," "dissembling," or "ironic." It seemed to me that "dissembling" (concealing under a false appearance with the intent to deceive) wasn't appropriate here. I've chosen "Sarcastic" for my translation because it's used more often than "ironic" when referring to a person's disposition.

...His reasons for entering the Mahora Martial Arts Tournament

Arrived in Japan to search for his missing father

Every year, the Mahora Festival has always received high praises from people living in the vicinity of the Mahora Gakuen City for presenting everyone with a prosperous sight. This year, however, the event that's catching everyone's attention is the "Mahora Martial Arts Tournament".

During the second day of the festival, today the 21st, the tournament finals are being carried out. So far, we have already witnessed the defeat of several powerful competitors, such as the winner of the "Ultimahora", Contestant Kufei from our female middle school department; as well as the school district instructor, Takahata T Takamichi.

One of the distinguishing characteristics about the current tournament is the fact that over half the participants in the tournament finals are children who are only in middle school or under Surprisingly, if we were to look back in the history of this tournament, sure enough, we see that the winner from 25 years ago was also a chi-

I BELIEVE IT'S A HAKKYOKUKEN TECHNIQUE CALLED 「SAYUU KOUKAIMON,」 ALTHOUGH THE SPEED FACTOR ITSELF WAS COMPLETELY DIFFERENT HERE, IT APPEARS THAT TRADITIONAL MARTIAL ART TECHNIQUES HOLD THE KEY TO VICTORY IN A SUPER-HUMAN HIGH SPEED BATTLE

PRYING OPEN THE FRONT OF THE OPPONENT WITH AN UNIQUE STANCE THAT HAS BOTH PALMS FACING THE SKY, THEN CONSTRICTING YOUR BODY TO MAKE IT SMALLER AND HARDER, ENTER DEEP INTO THE OPPONENT'S BODY BEFORE STRIKING WITH A SURE-KILL COUNTER

THE NEGIMA WORKSHOP

FOREWORD

Hello All, my name is Akamatsu.

Most of this volume is archives of my pencil sketches and inked drawings. Since all of these pictures are pre-colouring drafts, you can see even the smallest detail! (^^)

(Sorry, these are actually just "drafts of our coloured pictures") sorry...

Other than that we also have the Pactio cards and their explanations, which might be valuable for research, I guess?

The only thing that hasn't changed is the fact that this book is so completely random. I'm very sorry for that. To compensate for that, I'll work harder on the weekly chapters!! Thank you for your support!

★ASUNA'S PACTIO CARD★

Akamatsu: "Alright, lets start talking about 'Pactio Cards' here. Our guest speaker for this session is my assistant MR, hello!"

MR: "Hello! It's an honour to be in charge of explaining the spells and the Pactio Cards."

Akamatsu: "When you talk about the special characteristics in the Asuna card, it has to be that large sword, but is there anything special in the markings?"

MR: "I'm afraid the only thing that satisfies the meaning of the card is the symbol of Mars. In addition, since she's Baka Red, we used something in red. Speaking of that, whenever somebody sees the symbol of Mars, they'll say 'this is a really masculine symbol' (laughs)"

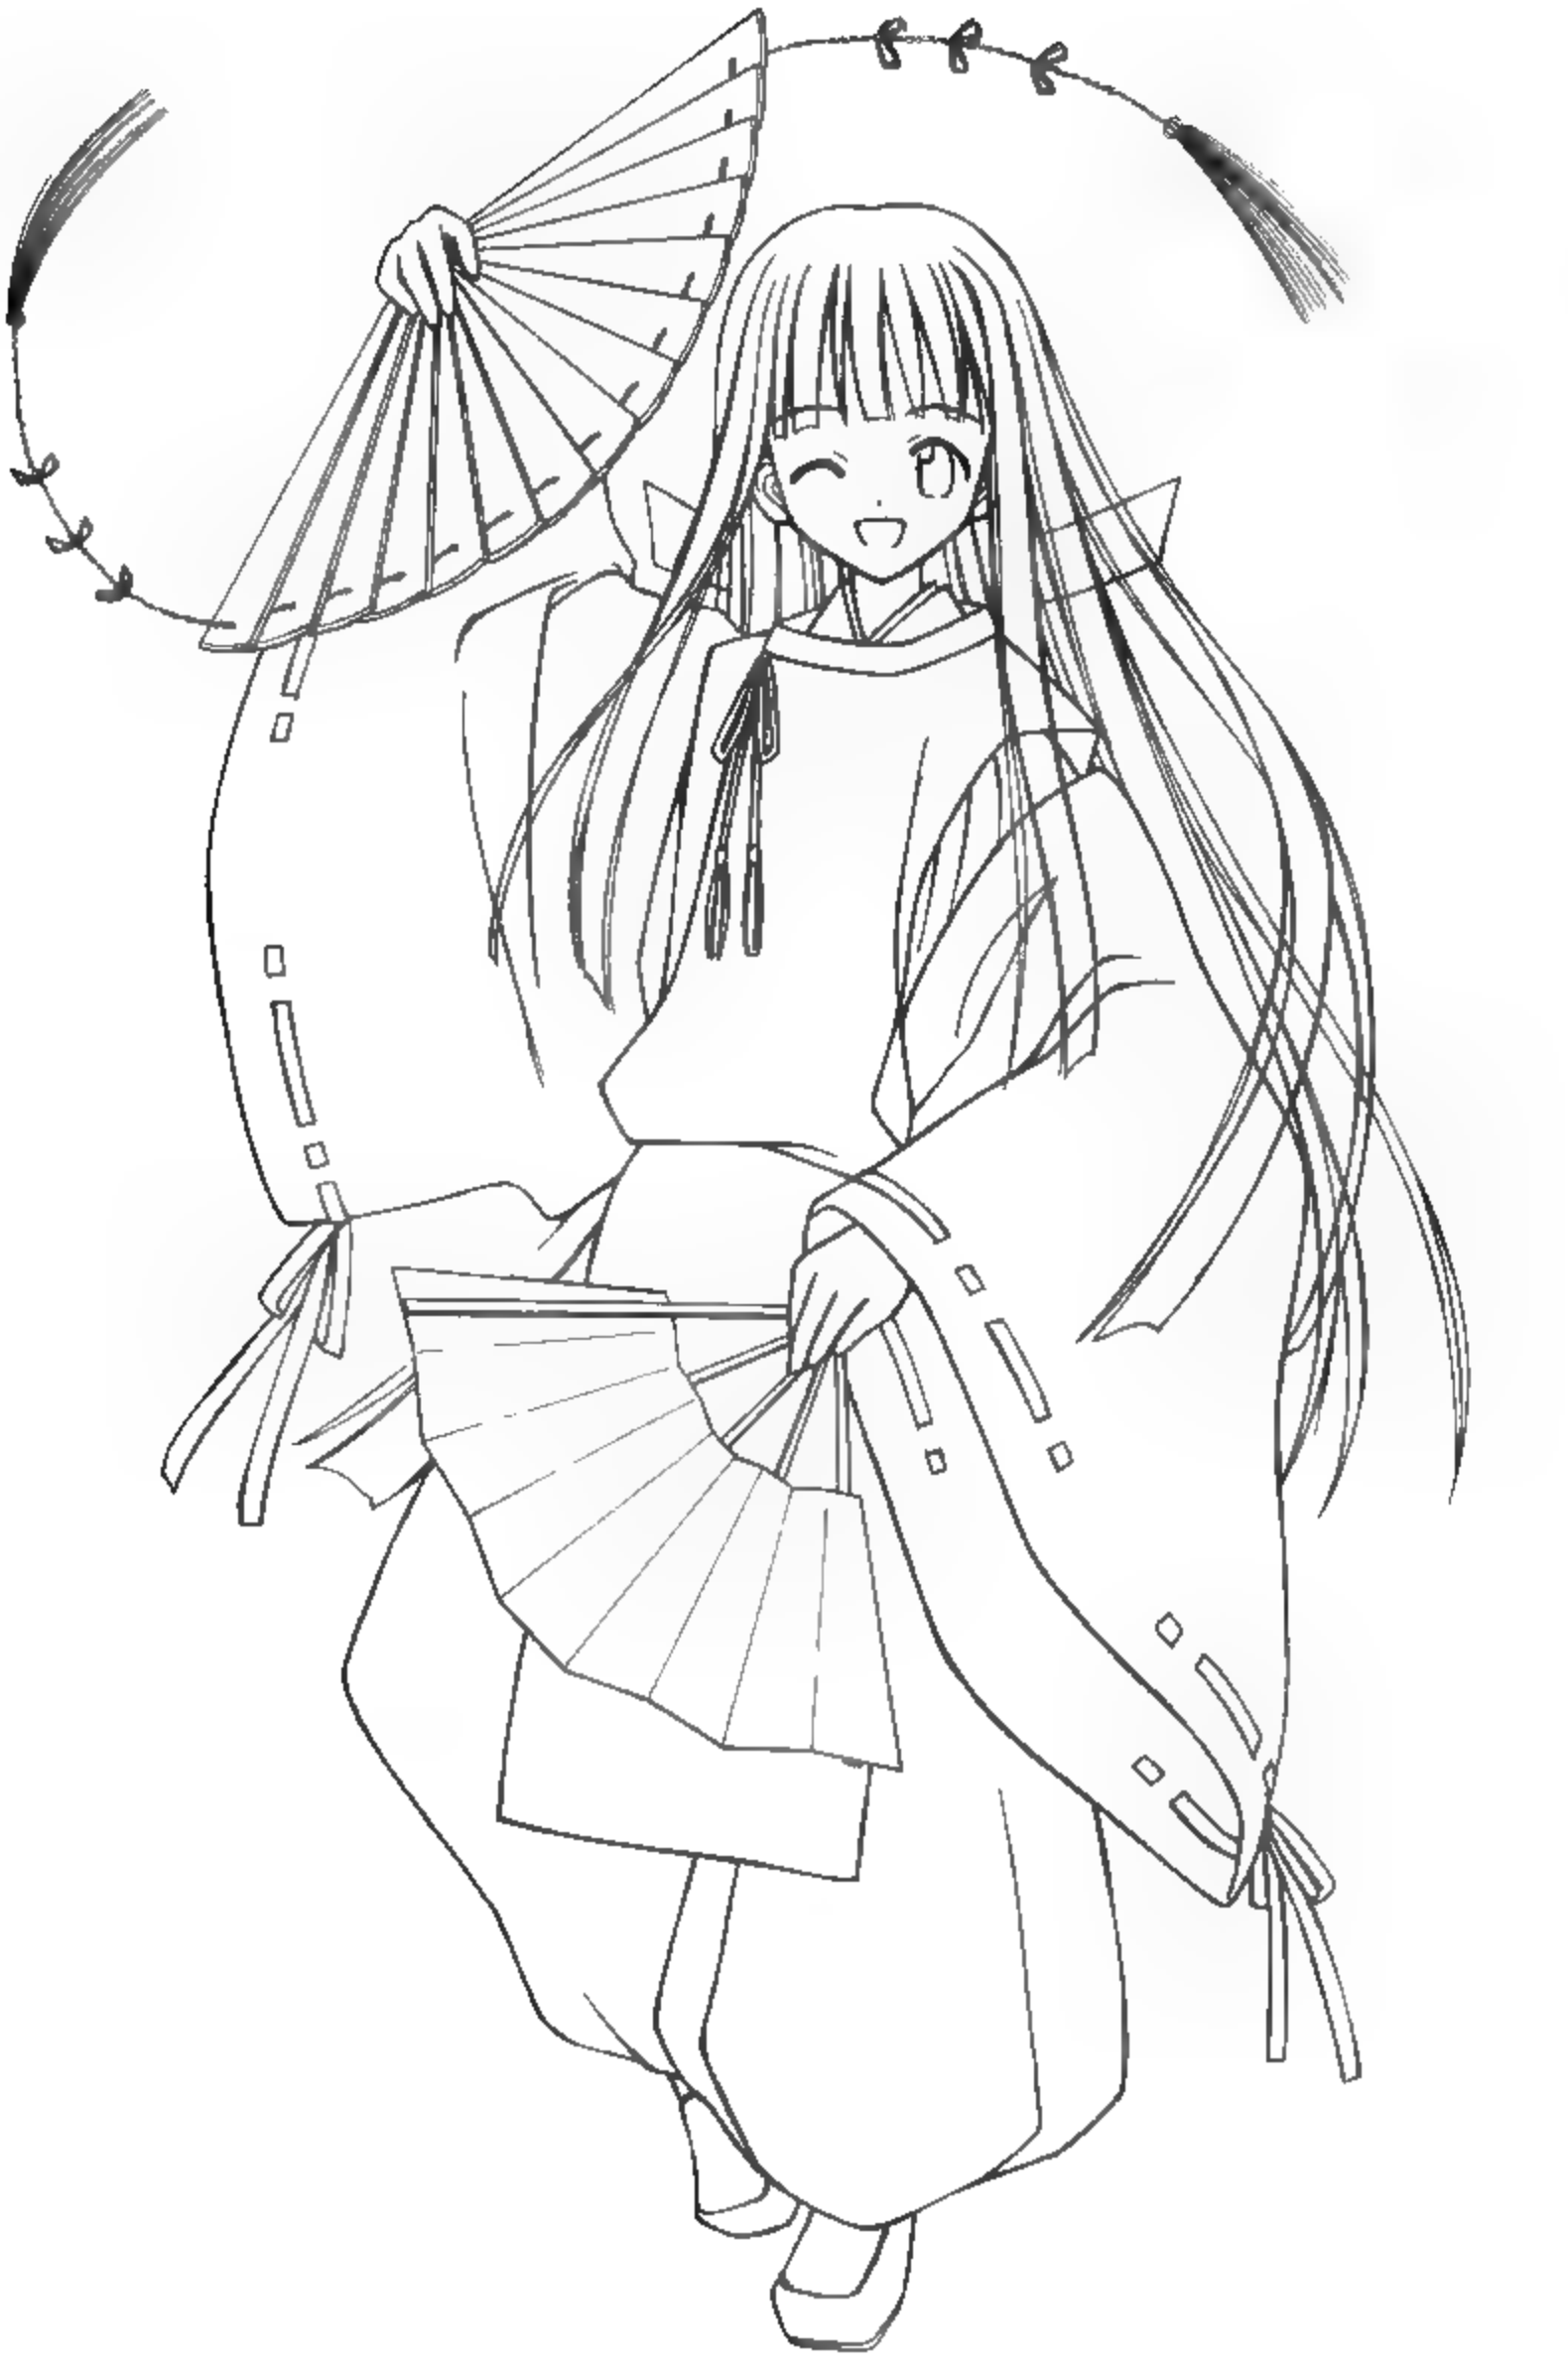
Akamatsu: "And why is her virtue 'courage (audacia)'?"

MR: "Oh, that's a long story~ To put it shortly, the gods in European myths can be put into three categories: intelligence, battle, and fertility. Although 'Mars' is a god of war, He also must follow these limits, and categorized by intelligence, courage, and self-restriction, which is why Asuna's virtue is 'courage.' Also, I think I remember the phrase: 'courage is the only true magic'. Being Negi's main companion, I think this virtue will fit rather well."

Akamatsu: "I see. Then why put her direction as 'East (oriens)'?"

MR: "Well...part of her name literally means 'tomorrow,' so East would be the direction of where tomorrow begins.'

Akamatsu: "What sort of bad joke is that? (laughs)"



[KONOKA - PEN DRAWING]

DATE OF BIRTH: 18/03/1989

SEAT NUMBER: #13

NAME: KONOE KONOKA

BLOOD TYPE: AB

ANIMAL HOROSCOPE: MONKEY

GUNDAM HOROSCOPE: RX-79 GM

★KONOKA'S PACTIO CARD★

Akamatsu: "About Konoka's ministra artifact, there are so many possible descriptions. While making the pact, her clothing became something like a 'state costume set'(see [1]) with fans."

MR: "Yeah. Well... this sort of costume is supposed to be for men...but if she wears one of those '12-layered dresses' (see [2]) there's no way she could battle!"

Akamatsu: "Her astrology sign is 'Jupiter,' which fits that 'grand' feel very well. But why not the Sun?"

MR: "In Greek mythology, Jupiter is Zeus, and in Roman mythology it's Jupiter, and they're both pretty majestic gods. It also means 'the star of kings.' The direction (North) also fits the saying of 'the children of god faces North,' but the Sun doesn't have these meanings. "

Akamatsu: "Ooooh~~~ Then what does her recovery abilities relate to?"

MR: "Jupiter, and her virtue 'Love (Caritas).' In the 3 categories that we talked about previously, Jupiter is responsible for fertility and harvest."

Akamatsu: "Nothing about battling at all?"

MR: "Negi's thunder-type spells have reference to Jupiter and Zeus. Maybe she could harness thunder and wind...?!"

Akamatsu: "Now that's scary. If Konoka uses that, it'll be scary (laughs). Next is her colour tone, which is 'white (albus)'. Hmm.. is it because she's using white/light magic?"

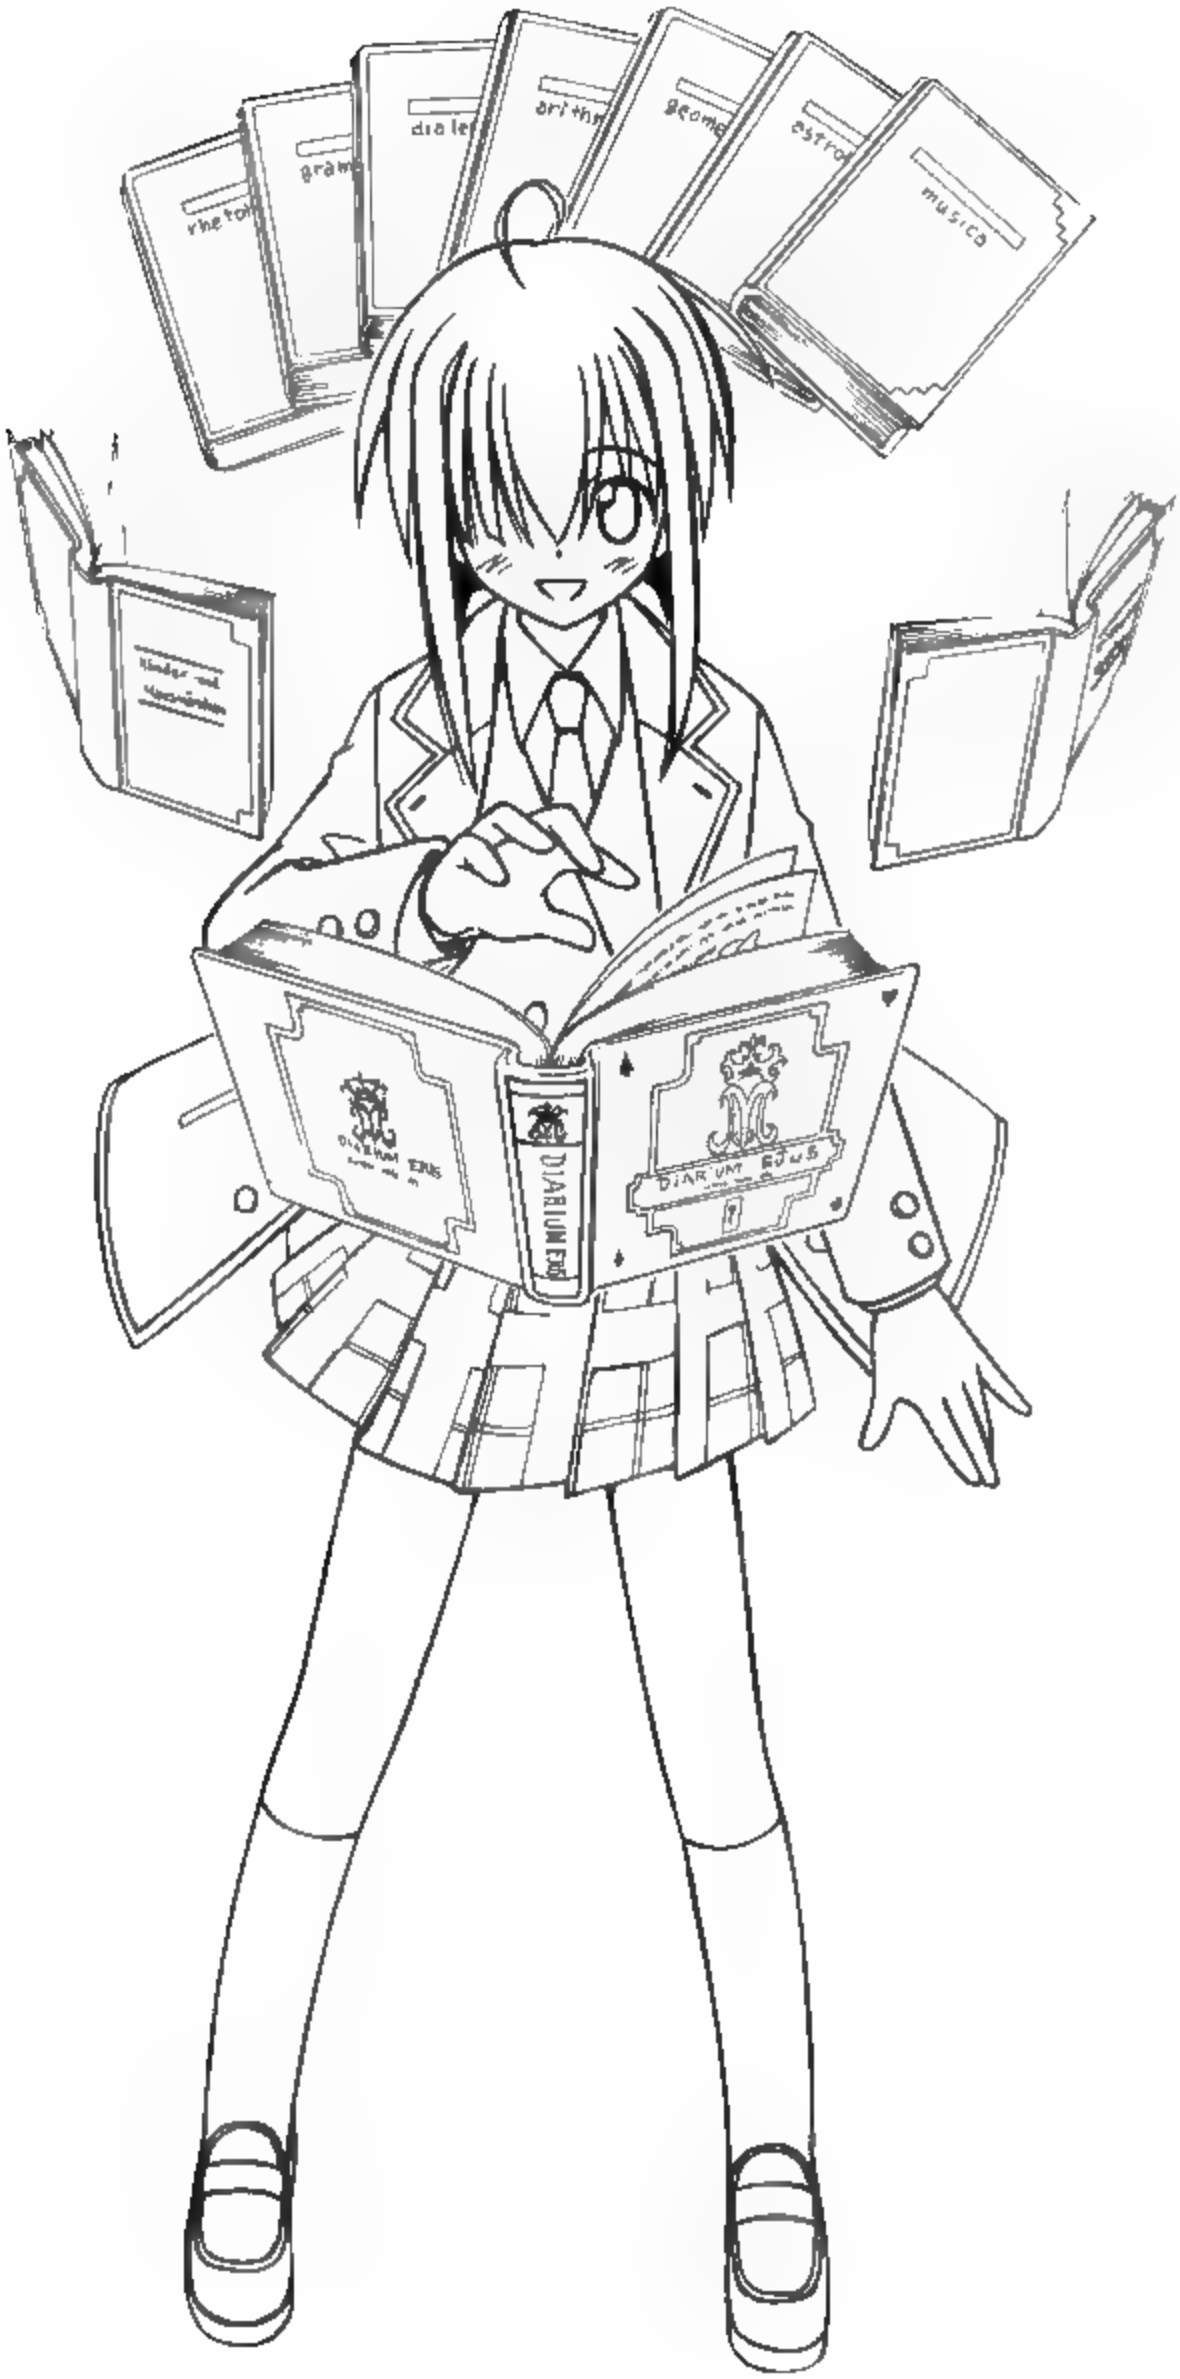
MR: "Her failed Pactio Card said white mage. I guess that's why."

Akamatsu: "And Konoka's number is 13, too...this is too scary!"

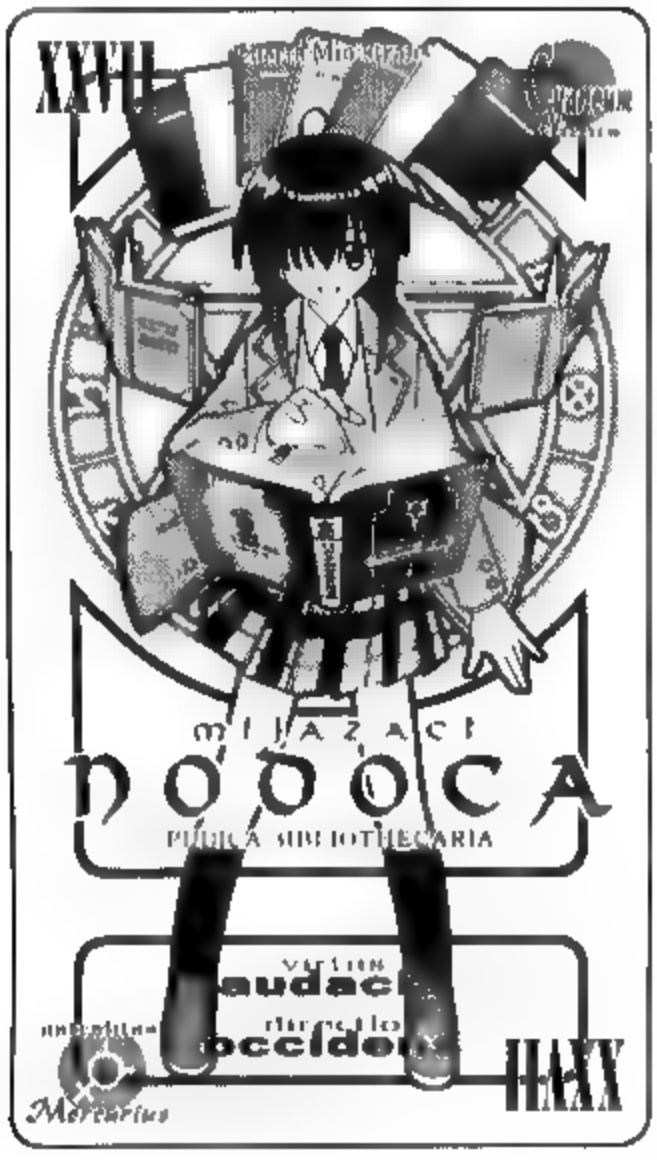
MR: "That's her seat number, and there's nothing I can do with that."

[1]: The "state costume set" is a required costume for rich and prominent families when they visit the emperor in ancient times, and is viewed as a standard

[2]. The "12-layered dress" is an ancient standard dress for females. It consists of 12 layers, and requires the help of two people to wear it.



【HONYA - PEN DRAWING】



DATE OF BIRTH: 10/05/1988

SEAT NUMBER: #27

NAME: MIYAZAKI NODOKA

BLOOD TYPE: O

ANIMAL HOROSCOPE: FOX

GUNDAM HOROSCOPE: RGM-79T

★NODOKA'S PACTIO CARD★

Akamatsu: "Next up is the immensely popular Honya-chan We got quite a number of complaints because her ministra artifact is too strong. (laughs)"

MR: "But since this girl is so introversive, wouldn't it be cool for her to have this sort of artifact?"

Akamatsu: "Her tone is 'blue (Cyaneum),' her astrology sign is 'Mercury (Mercurius).' Hey, this is just plain Sailor Mercury...speaking of which, did you do that on purpose?"

MR: "Yup. Mercury represents 'intelligence' in every mythology. Nodoka's virtue is 'courage' though."

Akamatsu: "Really? So this is why she can be completely different from her timid self! Her courage can be inspired, like when she confessed."

MR: "Speaking of which, we got a lot of emails complaining that 'it's incorrect to replace 「ka」 with 「C」 (^^,,)"

Akamatsu: "Yeah, there were a lot Is the letter 'K' not used in Latin?"

MR: "Except for languages that originate from Greek, you don't use the letter 'k' "

Akamatsu: "There are 9 books floating behind her, which probably have some scary abilities, right? (laughs) It's scary just to think of it. That must have entered JOJO's world..."

MR: "The 7 books behind her head are 'rhetoric', grammar', 'dialect', 'arithmetic , 'geometry', 'astronomy', and 'music' "

Akamatsu: "And the two beside her?"

MR: "Those were called 'originally scary' books "

Akamatsu: "Ah . the Brothers Grimm's 'Children's and Household Tales' (see [1]), that IS scary. Can't show these, of course (laughs)."

[1]: The original version, not to be confused with the abridged versions in children's books.

[SAKURAKO - PEN DRAWING]

DATE OF BIRTH: 9/06/1988

SEAT NUMBER: #17

NAME: SHIINA SAKURAKO

BLOOD TYPE: B

ANIMAL HOROSCOPE: FAWN

GUNDAM HOROSCOPE:
MA-04X ZAKRELLO

★SAKURAKO'S PACTIO CARD★

Akamatsu: "Sakurako's Cheer Card is a type of card that raises Negi's parameters. For example, some say that Sakurako's card would raise his 'luck'..."

MR: "Then, Kugimiya is 'strength', and Kakizaki is 'libido'? (laugh)"

Akamatsu: "Probably not. Also, something might happen when these three are combined together."

MR: "Sakurako's virtue is 'courage'. If one were to obtain the three virtues of wisdom, courage, and temperance, then the power of 'Justice' would be activated. This came from Greece's four original virtues, which appeared in Plato's 'The Republic'."

Akamatsu: "I see. So the fact that Sakurako, Kugimiya, and Kakizaki possesses these traits is what makes them beautiful? As for her astrology sign 'Sun (Sol)', that's just the way Sakurako feels like. Same for her direction, center (centrum). What about her colour tone 'Orange (Luteum)'? Is it the colour of the cheerleader costume?"

MR: "The latin word Luteum actually refers to a golden orange colour. Like this. A radiant shining image. Her second name Hilaratrix also suggests not only a cheering girl, but also someone who brings about cheerfulness."

Akamatsu: "I'm concerned about the artifact.... It can't be the megaphone? No, like she goes bam bam with it?"

MR: "You mean like destroying buildings by screaming through the megaphone? (Laugh)"

Akamatsu: "Well, the miniskirt is suprising, and the sports underwear too. I'm not sure what they're good for though."

[CHISAME - PEN DRAWING]

DATE OF BIRTH: 2/02/1989

SEAT NUMBER: #25

NAME: HASEGAWA CHISAME

BLOOD TYPE: B

ANIMAL HOROSCOPE: WOLF

GUNDAM HOROSCOPE: GYAN

★CHISAME'S PACTIO CARD★

Akamatsu: "This one is a mystery among mysteries Just exactly what ability does she have? (Laugh)"

MR: "Her second name is "Virtual Idol (IDOLUM VIRTUALE)", so that's pretty much it ."

Akamatsu: "Her artifact would be that staff after all? The notebook PC would be my VAIO-U101."

MR: "Chisame has lots of things modeled after Akamatsu-san, don't she? Like, is there some ulterior motive or something?"

Akamatsu: "Of course not. But Chisame's colour tone "Black (Nigror)" probably stands out the most here."

MR: "Black is pretty much related with maternity and stuff, isn't that a little bit off for Chisame?"

Akamatsu: "Chisame herself is a 'dark' person so it fits her perfectly. What about her astrology sign 'Saturn (Saturnus)'?"

MR: "The original plan was for Pluto, but various things popped up so."

Akamatsu: "Her virtue is 'temperament (temperantia)' is it? Isn't that the opposite? Or not?"

MR: "She can control herself pretty well when she's at school. By the way, Chisame is written and read as 'TISAME' "

Akamatsu: "But you know, it's really impossible to imagine forming a pactio with this one. Is it bad if I say that? (Laugh) Let's tell the fans that a grand romance will develop between her and Negi from now on."

MR: "The logo that's attached to the notebook PC has Whitehead written on it, that's taken from one of the establishers of the modern theory on the digital 0's and 1's. There's also other backups such as Leibniz "

Akamatsu: "It would've been fine if we could just leave it as VAIO (← It's a trademark so we can't)"

[MAKIE - PEN DRAWING]

DATE OF BIRTH: 7/03/1989

SEAT NUMBER: #16

NAME: SASAKI MAKIE

BLOOD TYPE: O

ANIMAL HOROSCOPE: MONKEY

GUNDAM HOROSCOPE: G-ARMOR

★MAKIE'S PACTIO CARD★

MR: "As for Makie, it seems like she's going to be forming the pactio in the near future."

Akamatsu: "Yeah. This one's second name is 'Girl who's armed five-fold (ARMATURA QUINQUIPLEX)', since she's an offensive type of partner, we can expect lots of activities from her once she's pactioed."

MR: "She's already pretty strong when she was under Eva though."

Akamatsu: "Ribbon is mid-range, club is close-range, and while guarding with the hoop, tie up the opponent with the rope, the ball is a bomb or something? L, looks strong... Also, her seiyuu-san was also the strongest? (Laugh)"

MR: "Her astrology sign is 'Moon (Luna)', which carrys the meaning of 「A young girl's attractiveness」, as opposed to 'Venus', which has the meaning of 「A mature woman's attractiveness」. Is Makie the type who'll end up withering while still young?"

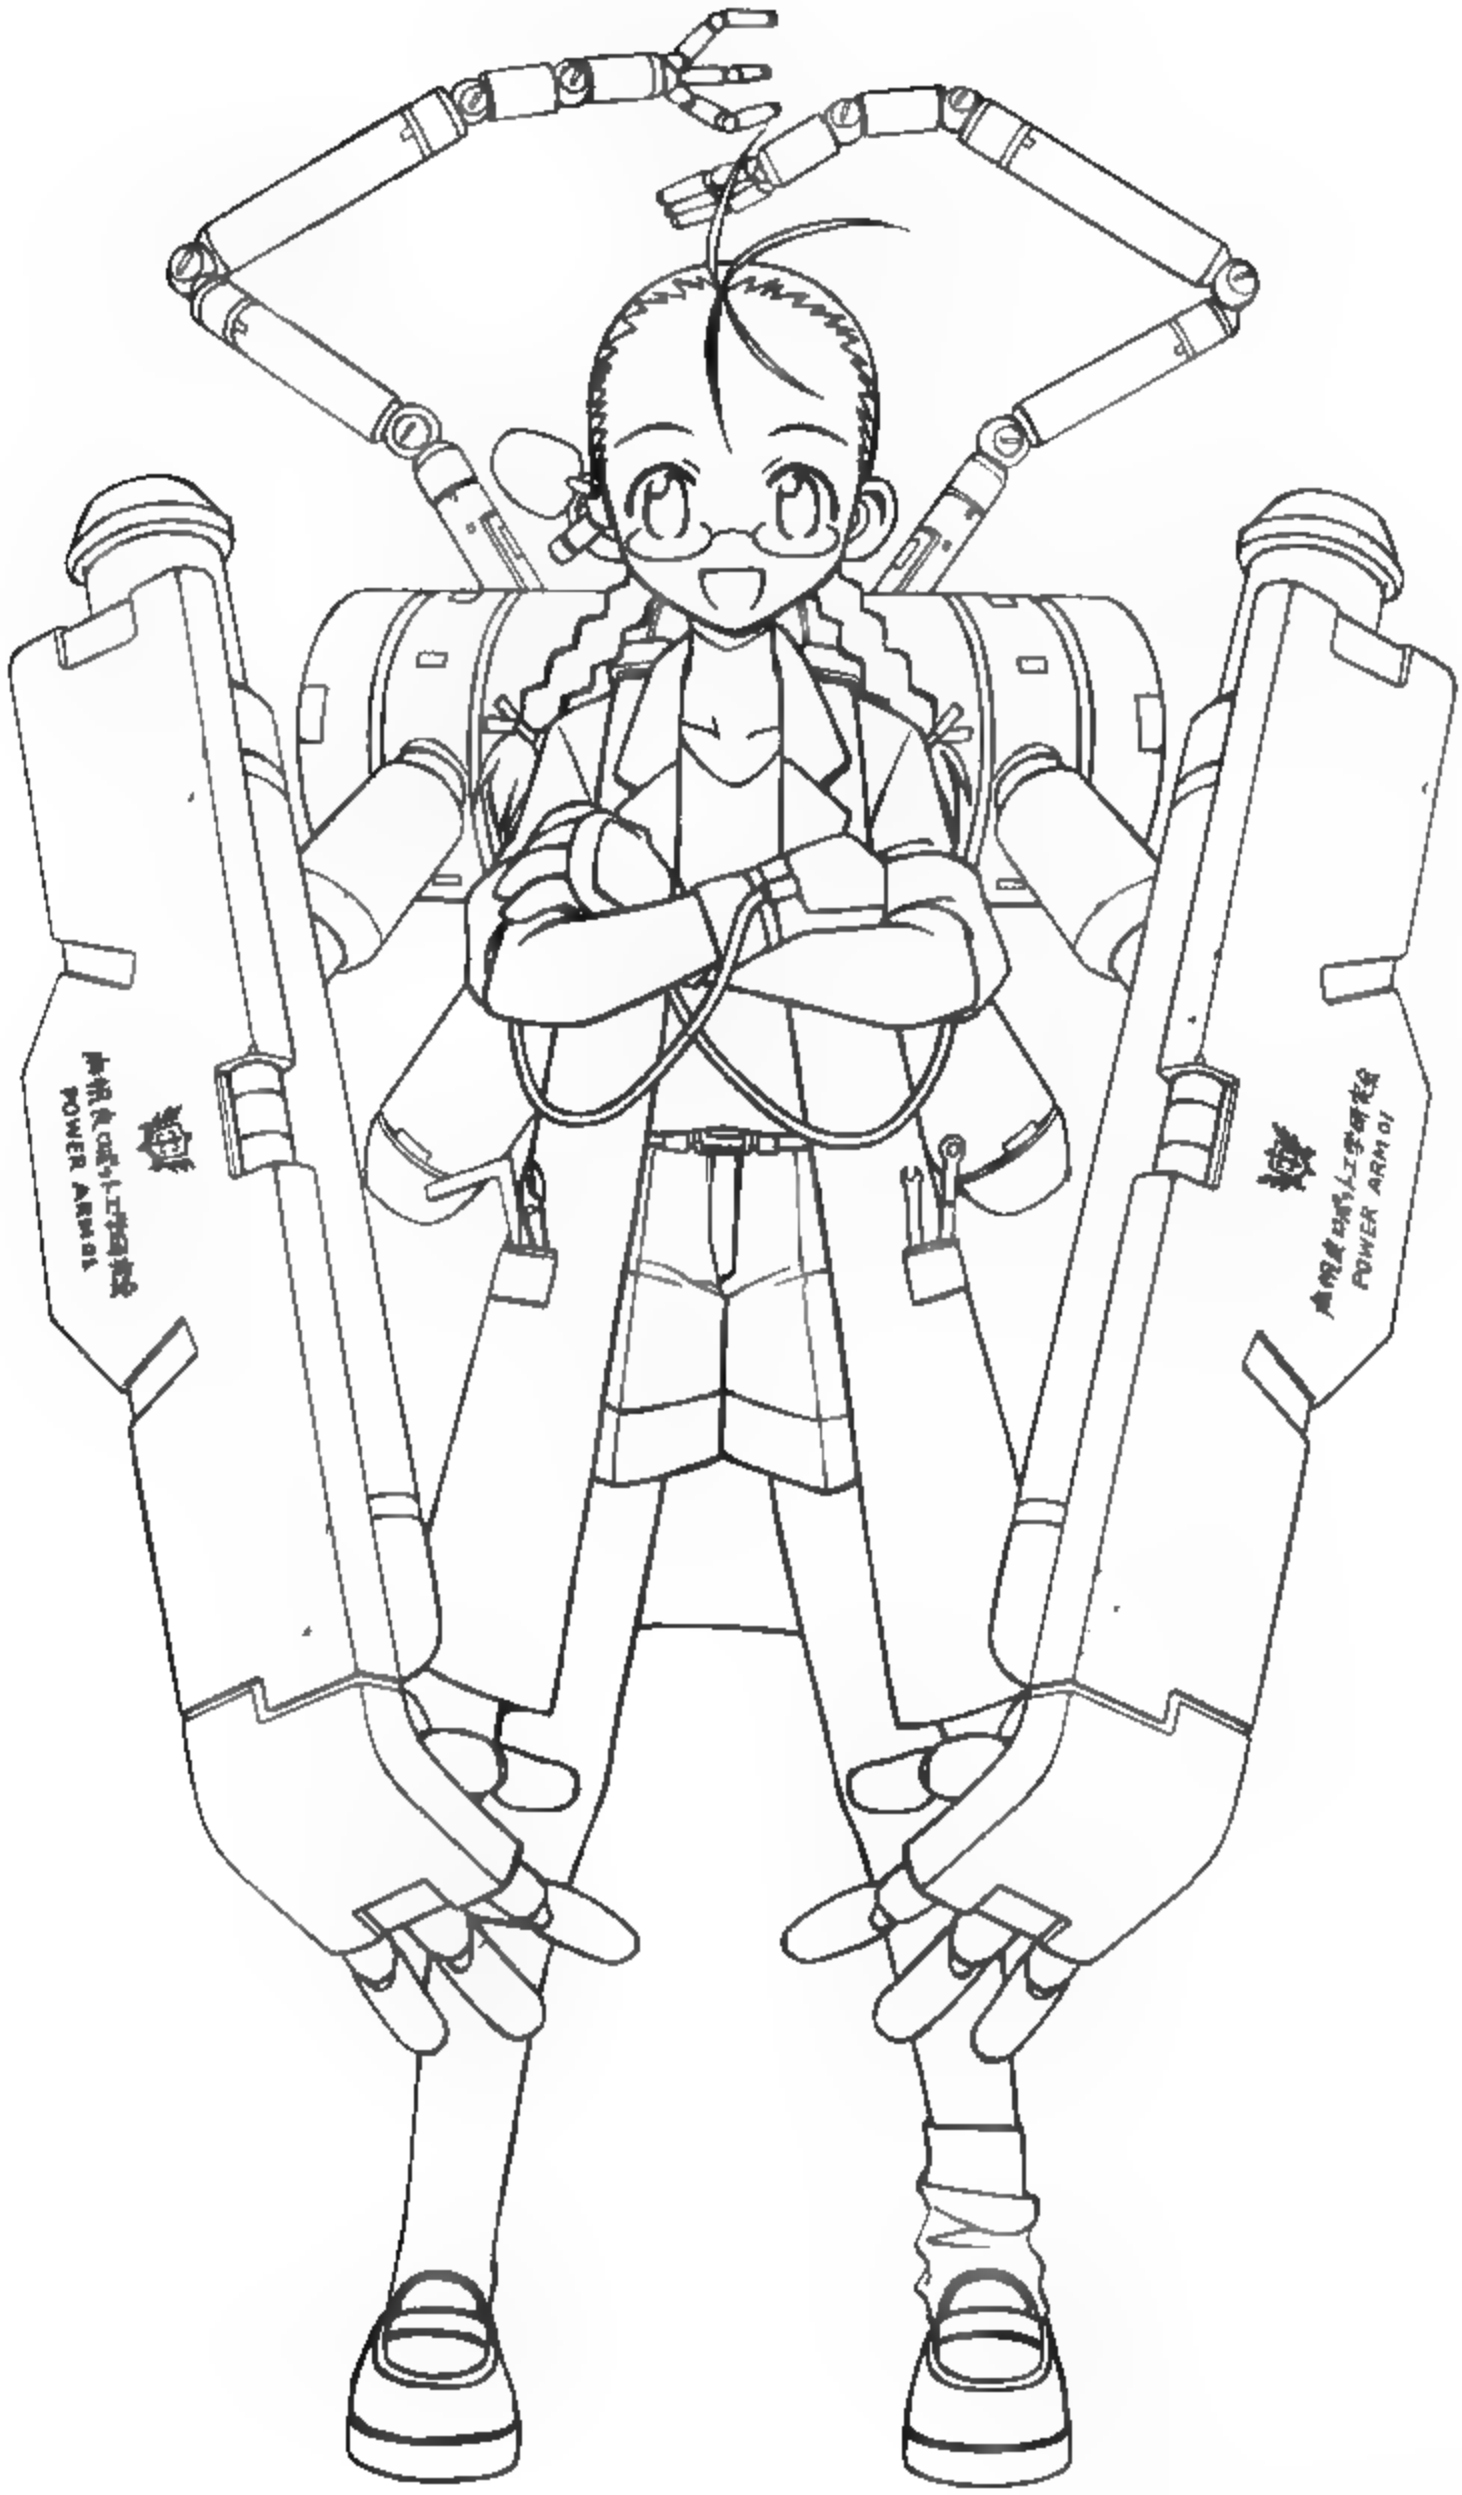
Akamatsu: "Her colour tone is 'Rose (Roseum)'. And virtue is 'Hope (spes)'. Like I thought, this is a card filled with the brillance of a girl, isn't it? Direction is 'South (auster)' too? That's also very fitting."

MR: "The Latin word Roseum is actually referring to "pink". Because they only had pink roses back then, so when they mentioned rose colour, they meant pink colour. But now we have roses in blue and such."

Akamatsu: "When people mention Makie, the gymnastics come to mind, and for these drawings, my interest came in handy. (Laugh)"

MR: "For some reason, Akamatsu-san, you sure have a lot of gymnastic books. I know because I'm the one who organizes all the books. (Laugh)"

Akamatsu: "Well, I thought that something like this would show up eventually, so I've been collecting them steadily."



[HAKASE - PEN DRAWING]

DATE OF BIRTH: 14/07/1988

SEAT NUMBER: #24

NAME: HAKASE SATOMI

BLOOD TYPE: B

ANIMAL HOROSCOPE: CHEETAH

GUNDAM HOROSCOPE: MSM-10 ZOCK

★HAKASE'S PACTIO CARD★

Akamatsu: "The artifact for this one aren't those arms behind her isn't it? Those are the robotic arms that Hakase made. Which means, her real artifact is.... her glasses? (Laugh)"

MR: "She's been wearing glasses since the beginning though. Perhaps it's those braids after all?"

Akamatsu: "Those are also there since the beginning too. Well, really, her artifact is a secret""

MR: "The reason why her colour tone is 'Silver (Argentum)' is because it gives off a mechanic-like image. It's just the feeling as it is though. Her astrology sign 'Uranus' carrys the meaning of originality. Though after all, since Uranus was discovered only recently, ancient astrology probably don't have any meanings here."

Akamatsu: "But you know, it's also hard to imagine a pactio with Hakase too... No, maybe she's actually very aggressive when it comes to the opposite sex dispite her looks. No, probably not."

MR: "No no, aren't people who are absorbed in their researches also dive straight ahead when they fall in love?"

Akamatsu: "I see. Then let's try drawing in that direction? (Laugh) Her virtue 'Wisom (sapientia)" is pretty much self-explanatory."

MR: "But her second name is 'Insane Mechanics (MACHINATRIX INSANA)' though. Does she really have wisdom?"

Akamatsu: "Yeah, Hakase is good at singing, you know. Incredibly good."

MR: "Wasn't it violin?"

Akamatsu: "?... Ahh, Hakase Tarou...?" [1]

[1]: Hakase Tarou is a famous violinist

[SETSUNA - PEN DRAWING]

DATE OF BIRTH: 17/01/1989

SEAT NUMBER: #15

NAME: SAKURAZAKI SETSUNA

BLOOD TYPE: A

ANIMAL HOROSCOPE: SHEEP

GUNDAM HOROSCOPE: RX75-GUNTANK

★SETSUNA'S PACTIO CARD★

Akamatsu: "Now then, we have the popularity vote No.1 Setsuna. Her artifact is a sword. With it she would be able to dual wield."

MR: "The reason why Setsuna's astrology sign is 'Sun (Sol)' is because, just like rabbits live on the Moon, there are also Eastern legends which say ravens live on the Sun. And Setsuna just happens to be a half of the bird-tribe. This is also why her colour tone is 'Black (Nigror)'. Her virtue 'Justice (justitia)' came from Menciu's 「Master and Servant's Morality」. Her direction 'North (septentrio)" is taken from 「The Northern Warrior」."

Akamatsu: "Setsuna's seiyuu-san is also great~. I'm super excited about her activities in the future. She also showed up pretty often in the panels in the story as well. By the way, Setsuna has made a pactio with Negi, but what would happen if she were to make one with Konoka too?"

MR: "For the moment, if we were to describe it as joining clubs in middle school or something, it means that she would be able to temporary join two clubs at once."

Akamatsu: "But since one person can't attend to both clubs at the same time, it feel like that she won't be able to carry out both contracts at the same time, I guess?"

Akamatsu: ".... Now then, up to this point, we've just done an explanation on 8 cards, what do you think?"

MR: "I'm really looking forward to seeing more cards coming out. I'm going to have to make Akamatsu-san get to work on it right away. (Laugh)"

Akamatsu: "Uwe~ Somehow 「Negima」 feels like it's definately going to be longer than 「Love Hina」, It's scary."

MR: "But, if the story is set for one year, then wouldn't the ending be clearly set out?"

Akamatsu: "U~n... That's true. I'll do my best!"

THE NEGIMA WORKSHOP

Emergency Interview: "Negima CD Is In Big Trouble?!"

It's not even made into an anime yet, the character CDs of only a manga is somehow selling incredibly well. It entered the top 10 in both Oricon and CDTV, and also frequently appeared on TV between breaks. Right now, why are "Negima CDs" selling?!

We have arranged an emergency interview with the original creater, Akamatsu Ken, to ask him this question. (The interviewer is Mr.B, Akamatsu's university junior classmate who's not an assistant)

The Troublesome 12 Group Distribution

--- Long time no see.
(Akamatsu) Yeah. You're in your 30s as well now? How about getting married?

--- Since this is an interview with Akamatsu-san this time, please spare me from that.
Alright. (Laugh)

--- About the character CDs, what was the story about it in the beginning?
Sometime during 2003, a project was suggested by Producer Ootsuki from Star Child, where we would release 1 CD a month, for 12 months. (Laugh) I went "That's just too reckless (^^;)" and rejected, but it seems like a certain company had a huge success with their "Prince of Tennis CDs", so this was to be a retaliation project against that. Plus, Ootsuki-san's mind was already made up, so I was the one who gave in in the end. But unlike Prince of Tennis, we didn't even have an anime back then yet....

--- But didn't Love Hina also have a comic image CD released before the animation as well?
That was just one disc, plus it had all the seiyuus like Hayashibara-san and Horie-san all together in one go. "Negima", on the other hand, has 12 discs, there's quite a number of new seiyuu-sans who's making their debut on this, so I thought I would be pretty difficult. In any case, since my schedule was pretty ugly every week, it was impossible for me to draw the CD jackets. One disc at the very least....

--- Well, that's true. And then...?
There was no other choice except to rely on Xebec for the jacket drawings. And they asked me to first split the all classmates into 12 groups. And then we submitted them to Star Child with temporary names like "Science and Meat Buns". I didn't think it would actually become their official names.... If I had known that they'd show up on TV like this, I would've thought up better names.... Uu.

--- The Four Martial Art Champions had a member change half way through, what's that about?
Originally it was supposed to be split into the 4 sports club members "Tatsumiya, Setsuna, Kasuga (Misora), Ku Fei", but in volume 6,...

(Continued on page 24)

(Continued from page 23)

...Kaede, Tatsumiya and Kufei came to Setsuna's help, which ended up making Kasuga stand out, therefore we quickly switched Kasuga for Kaede. Which created today's Four Martial Art Champions. This means that the "Strolling Club" for the twins and Kaede is gone, and I think we'll end up making the "Three Pranksters" that made an appearance in volume 1 chapter 1 instead.

--- Are Asuna, Konoka, Chisame, and Incho soloing?
Because back then only a few classmates have a developed character, so these 4 were the obvious choices. As for now, Setsuna and Konoka sounds possible too.

[About the Omakes]

--- The omake pactio cards for the CDs this time seems to be very popular too.
Originally, Star Child had planned to include "31 individual Student Cards" as the omake. Now that seems to have remained as "A special bonus for collecting all 12 CDs". But back then, Negima was just starting the story about "partner" selections between classmates, and I thought about introducing "Pactio Cards" as the proof for the contracts. And so I suggested to Star Child "If it was me, I would prefer the pactio cards, let's change the omake to that".

--- So the cards are Akamatsu-san's doing? Is that like showing-off?
Wutchutalkin'bout (tsukkomi, comedic comeback)? After all, the fans would probably prefer goods that make numerous appearances in the story, right? And then, (even though all we had was Asuna's card back then), we suddenly decided to include a card as omake for every month. So Asuna's card was quickly submitted and had the back designs laid out. And at December 2003's first round event, I checked out the sample card. It was a little small, but it can't be helped since it had to fit into the CD case, that's probably how I felt.

--- The Konoka card after, I heard it was drawn in a hurry?
I totally regretted it (laugh). For the moment, I had "It's possible there will be no cards" written on Star Child Home Page's advertisements, but Asuna's CD suddenly became a big seller, so I just had to attach another card. Honya's card was better because it appeared in the story later so I didn't have to draw it just for this, but cards like Sakurako's were pretty harsh on my schedule.

--- But, you can play with the cards with like "adeat" or something, it's pretty fun.
I do it too. I don't show my underwear though (Laugh). Like the belt in Masked Rider, people really end up wanting things like these, don't they? The cards for Asuna's CD, which was released in the least amount, seems to even have buyers offering about 10,000 yen for it on auctions. After that, we increased the number of first editions, so I think the supplies were able to stabilize.

[About the Songs and Drama]

--- Most importantly, how about telling us a little about the CD contents?
Let's go by the formats: greeting, song, remix, karaoke, drama, free talk, isn't it?... But if you think about it carefully, there's really only one song (laugh). I thought it was incredible. If a normal CD single has even one song in it, the price would probably go over 1000 yen already. Yet we have remixes and karaokes, as well as drama and free talks all recorded in one go, and then just went and created a cheap but value-packed CD. Star Child had a pretty sharp aim here, I think.

--- But if we're talking about grown-up buyers, wouldn't they buy it even if it's set at 2000 yen?
However, we have survey results that suggest Negima readers' age group is lower than Love Hina's, furthermore, there's a little increase in female readers. Therefore, it's important to keep it at 1000 yen. If it's any higher than that, it'll be hard to buy every month.

--- Do you have any favorite songs?
I like that library something, I uploaded it onto my cellphone and listen to it a lot. Also, personally I like Incho's songs. After all, it's TMN's Kine-san. But they're all nice songs. No, really.

--- Which classmate seiyuu-san do you like?
Rinya-sama... isn't a classmate though. Recent interests would probably be Paru and Hakase. They're good singers. Sexy. Also, others like Chizuru.

--- For the future CD releases, please comment on it shortly.
Although I think I would try to do some kind of covering fire from the manga side, if there are any characters who didn't get a chance to be active by the time their CDs are released, I want to apologize (^^;) I like everyone though.

--- Thank you very much for your time.
Thanks.

WÂAAA

アアア

NO MATTER WHICH MATCH YOU LOOK AT, THEY WERE ALL THE MOST INCREDIBLE MATCHES-NE!!

——ETC.. AS STATED ABOVE

AS THE CURRENT TOURNAMENT SPONSOR, IT WAS AN INCREDIBLY SATISFYING EXPERIENCE FOR ME-YO

THE SKILLS OF THE WINNER ARE TRULY THE SCHOOL'S STRONGEST.. NO, IT WOULDN'T BE AN EXAGGERATION TO EVEN CALL HIM THE WORLD'S STRONGEST

I WILL LEAVE THE DECISION OF THE AUTHENTICITY TO EVERYONE -NE

BUSTLE

THERE WERE SOME WHO BELIEVED THAT THIS WAS A FAKE PERFORMANCE DONE BY THE TOURNAMENT OFFICIALS

FURTHERMORE, ALTHOUGH IT SEEMS THAT, DUE TO SUCH HIGH LEVELS OR PERHAPS BECAUSE OF THE UNREALISTIC MATCH CONTENTS

WAAAAA

TO ALL THE CONTES-TANTS AND EVERYONE IN THE AUDIENCE, THANK YOU!!

LET US MEET AT ANOTHER TIME!!

OHHH!

STOMP STOMP

HUHU, THIS TOURNAMENT SEEMS TO HAVE BEEN BENEFICIAL BEYOND EXPECTATIONS FOR NEGI-SENSEI-NE

ZI--P

WHAT DO WE HAVE HERE? EVERYONE'S HERE AS WELL.. THANK YOU ALL FOR YOUR HARD WORK-NE

YAA, TAKAHATA-SENSEI

THIS CHILD IS NOT JUST A STUDENT REQUIRING SPECIAL ATTENTION, SHE'S DAN-GEROUS!!

TAKAHATA-SENSEI! WHAT ARE YOU TALKING ABOUT?

YOU DIDN'T COMMIT ANY CRIMES, WE JUST WANT TO ASK YOU SOME QUESTIONS

WHAT CRIME DID I COMMIT?

HA HA HA

THERE IS A FEW THINGS WE WANT TO ASK YOU ABOUT

WE'RE GOING TO HAVE YOU COME TO THE STAFF ROOM WITH US, CHAO-KUN

LET ME ASK YOU ALL A QUESTION INSTEAD

WHY IS THAT, I WONDER ?

HUHU.. THROUGHOUT HISTORY AND AROUND THE WORLD, EVEN IN CHILDREN'S NOVELS AND COMICS... THERE WERE QUITE A NUMBER OF STORIES WHERE MAGES WOULD KEEP THEIR EXISTENCE A SECRET TO THE WORLD-NE

NUDGE

TO EXPOSE THE EXISTENCE OF MAGES.. THAT IS AN OUTRAGEOUS THING TO DO!!

FOR EXAMPLE.. TAKE WHAT WE SAW IN THIS TOURNAMENT, IF THE EXISTENCE OF INDIVIDUALS WITH SUCH AMAZING POWERS WERE KEPT SECRET, WOULDN'T IT BE DANGEROUS TO THE HUMAN SOCIETY?

WHY ARE YOU ALL HIDING THE EXISTENCE OF MAGES FROM THE WORLD?

HMM.. CAN YOU DO IT?

..I-IN ANY CASE, YOU'RE COMING WITH US, EVEN IF WE HAVE TO GET A LITTLE ROUGH

BESIDES, THERE AREN'T ALL THAT MANY MAGES WITH SUCH STRONG POWERS!!

WHA.... YOU'RE GETTING IT ALL BACKWARDS! WE'RE PROTECTING THE SECRET IN ORDER TO AVOID NEEDLESS MISUNDERSTANDINGS AND CONFUSION, SO THAT WE CAN COEXIST WITH EVERYONE ELSE IN THE MODERN SOCIETY IN HARMONY!

HU...

JANGLING

SANG

THUD THUD THUD

WE DON'T KNOW WHAT THIS CHILD MIGHT DO, BE ON YOUR GUARD!!

RUSH

CAP-TURE HER

Y- YES

MAGE GENTLEMEN ♡

LET'S ALL MEET AGAIN ON THE THIRD DAY

WHISK

WHA...

S.. SHE DISAP-PEARED?

NU...

I COULDN'T TRACE HER..!

HOW DOES SHE DO IT? THAT CHILD'S INCREDIBLE
